## A GOLDEN JUBILEE

Congratulations of all Kelvinites, past and present, go out to Mr. R. H. Scott, who this year is celebrating his golden jubilee of teaching. In January, 1885, Mr. Scott began his teaching career in the County of Wentworth in Ontario. In 1892 he became Commercial Master of the Brantford Collegiate Institute, which position he held until his appointment to the Winnipeg Collegiate in 1896. With the opening of Kelvin in September, 1912, Mr. Scott was placed in charge of the Commercial Department, a position he has filled with great distinction. Among his many other contributions to the good of our school life, his work as Treasurer of school funds has been outstanding. This office he held from 1912 until June, 1934—twenty-two years of efficient and careful attention to a multiplicity of detail. Kelvin rejoices with Mr. Scott in his achievement of half a century to the youth of Canada.
